## ABOUT US

At Robel, we believe in transforming ideas into reality with precision and creativity. As a trusted name in the industry, we specialize in offering premium-quality products that redefine modern interiors and exteriors. Our diverse product range includes Acrylic Laminate Sheets, WPC (Exterior), ASA Deco Sheets, and Charcoal Louvers, designed to meet the evolving needs of architects, interior designers, and homeowners.

### OUR VISION

To be a leading innovator in the surface and design industry by consistently delivering high-quality, sustainable, and aesthetically appealing products that inspire creativity and elevate spaces.

### OUR MISSION

- To provide top-notch quality products and exceptional service to our customers.
- To continuously innovate and embrace new technologies for superior product offerings.
- To uphold sustainability and eco-conscious practices in everything we do.
- To build long-term relationships with our stakeholders through transparency, trust, and excellence.
- At Robel, quality is at the heart of everything we create. Join us in crafting spaces that speak of elegance, durability, and perfection. Together, Let's We Create!

## Innovating *space*

SPACES WITH DIVERSE SOLUTIONS

### ACRYLIC LAMINATE

Robel Acrylic Laminate is a premium surface solution designed to bring elegance and functionality to modern interiors. This high-gloss, non-toxic finish enhances cabinets and furniture with its sleek, mirror-like appearance, making it an excellent choice for contemporary spaces. Crafted from durable polymer fibers, it offers exceptional resistance to scratches while maintaining its reflective sheen for years.

Available in a vibrant palette of colors, Robel Acrylic Laminate not only uplifts the aesthetic appeal of interiors but also ensures long-lasting beauty and durability. Its smooth, reflective surface adds depth and brightness, creating a luxurious feel that complements any design. Whether you seek bold tones or subtle hues, Robel Acrylic Laminate delivers an enduring, sophisticated charm to elevate your spaces.

### ASA DECO SHEET

ASA (Acrylonitrile Styrene Acrylate) decorative sheets are engineered for superior weather resistance, UV stability, and aesthetic appeal. These sheets are perfect for both interior and some exterior applications, providing a durable and color-fast finish. Their versatility makes them suitable for cladding, signage, and architectural interior.

### CHARCOAL LOUVERS

Charcoal louvers are decorative panels made from high-quality charcoal material, designed to add elegance and sophistication to interiors and exteriors. Known for their lightweight and easy-to-install properties, these louvers provide excellent ventilation and a sleek, modern aesthetic. Ideal for feature walls, partitions, and facade designs, they are available in various textures and patterns to suit diverse design preferences.

### WPC EXTERIOR PRODUCT

WPC (Wood-Plastic Composite) exterior products combine the natural look of wood with the durability of plastic. These eco-friendly, low-maintenance products are resistant to rot, termites, and moisture, making them perfect for decking, cladding, fencing, and outdoor furniture. Available in a range of textures and finishes, WPC products offer a sustainable and stylish solution for exterior spaces.
